Free is beautiful!

It gets attention. Inspires delight. And makes women feel special.

Just offer your customers free gifts, and you'll see how they deliver beautiful benefits for everyone - including you! Here are some ways you can use gifts and the beauty of FREE to lead to your success.

Reward customers. They'll think of shopping with you first. Those fun punch cards after they have purchased a set amount is easy to do and customers love them.

Say "thank you" to every hostess. It's a fun way to encourage her guests to host also.

Motivate customers to purchase $40 or more. It can give your sales a boost.

Giver customers the chance to sample new products. It can encourage new sales.

Treat your customers to the products they love in convenient travel sizes.
